

Providing personalised, specialist dementia care for every resident

In Brief...

- ✓ Individual, homely indoor spaces
- ✓ Well trained and led Carers
- ✓ Devoted Activities Coordinators
- ✓ Specialised dementia care
- ✓ Peaceful outdoor spaces
- ✓ Person centered approach
- ✓ En-suite bed rooms with shower
- ✓ 5* Food hygiene rating
- ✓ Modernised premises
- ✓ Wifi throughout
- ✓ Experienced, professional management

An absolutely excellent care home. Staff go above and beyond for their residents and are always happy and chatty when you see them. The care is amazing and they take the time to speak and interact with the residents and form a relationship with them which I think is a vital part of caring. Fab management, fab carers, fab food. Thank you all.

- Isabelle M

Let our family take care of yours

At Padda Care Homes, we believe that the secret to good care lies with our experienced staff.

Our dedicated, professional Managers and Employees work hard to look after and support all our residents with dignity, affection and compassion.
